Synopsis

Polish Dumpling Perfection... Pierogi Pierogi have been shared over the dinner table in Poland and other Slavic countries since the Middle Ages. In fact, it has been a part of the staple diet since this time. Back in those times Pierogi were only consumed by farmers and the poor, until one day someone of higher status tried one and fell in love at first bite! Today we are thankful because so many centuries of trial and error in Pierogi recipes have passed. Today Pierogi are loved all over the world! Now I want to share a wide variety of recipes with you, some dating back to the Middle Ages. There are many modern twists and variations to Pierogi, however my aim is to provide you with traditional and authentic recipes. Each and every recipe is easy to follow and can be simply recreated at home. You will also learn how to master making the Pierogi dough (Which is the most important part of Pierogies) You will also discover, Its not really that scary and hard! All recipes in this book were given the tick of approval from my 89-year-old grandmother (Babcia.) Customer Reviews

I can now make a better variety of Pierogis.

These recipes gave me a few new ideas for Christmas

Easy to read and understand recipes for the Pierogi lover! So glad I purchased this book. Thanks for a great and useful product!

awesome recipe book

The recipe is very easy to make is very good. The book however was assembled wrong which half the pages upside down and backwards so it is difficult to follow in parts.

I'm sure the recipes are just fine, except for one thing! All the amounts are in grams, and not American measurements like cups and teaspoons, etc. Therefore, I cannot use this book!

Everything was in grams so I had to convert all the recipes. Some very strange recipes...buckwheat groats? This book wasn't very useful.

Good. I'll recommend it.
